

COVID-19 VACCINE UPDATE!

Virginia is moving to Phase 1B of COVID-19 vaccination administration (age 75 and older and essential workers) and you may be eligible:

Arlington County residents:

<https://www.arlingtonva.us/covid-19/vaccines/registration/>

Fairfax County residents: CALL **703-324-7404** (Fairfax Health Department's vaccine hotline)

<https://www.fairfaxcounty.gov/health/novel-coronavirus/vaccine>

(Online registration coming soon!)

D.C. will soon begin vaccinating residents ages 65 and up:

Go to the website below to enter your contact information for updates:

<https://coronavirus.dc.gov/vaccine>

At this time, we have no information on vaccine administration for Maryland, however ARA is committed to keeping our patients informed and will provide updates as soon as we receive it.
