Dear New Patient:

Welcome to our office! We are looking forward to meeting you at your scheduled appointment. Enclosed, you will find forms related to your medical history, please complete the forms in advance and bring them with you to your initial visit. In addition, please arrive 30 minutes prior to your appointment time, this will allow us to complete your check-in promptly and enable you to see the doctor at your scheduled time.

Please also be sure to bring the following items with you:

- List or prescription bottles of all current medications
- Insurance and prescription card(s)
- Current driver's license or non-driver's ID
- Referral form (if required by carrier)
- Method of payment (cash, check, AMEX, MC, VISA or Discover)

Please note the following information:

- We request that cancellations or scheduling changes be made during clinic hours no later than the last business day prior to your appointment. Our same day cancellation and no show fee is $100.
- You will receive a reminder notification via email, text, or phone call two to four days prior to your scheduled appointment.

If you have any questions prior to your visit, please feel free to contact us. We look forward to a meaningful patient-physician-staff relationship.

Sincerely,
Arthritis and Rheumatism Associates, P.C.

FINANCIAL POLICY STATEMENT

Welcome to Arthritis and Rheumatism Associates, P.C. (ARA). We are pleased to have you as a patient and we are committed to providing you with the best medical care possible. In order to assist you in receiving the maximum benefits allowable by your insurance, we ask that you read and sign this statement. We must emphasize that as medical care providers, our relationship is with you and not your insurance carrier. As a courtesy to you, we may file your claim; however you are responsible for charges incurred from the date services are provided unless our contractual agreement with your carrier states otherwise. Because of the ongoing growth and change in available health care plans, it is imperative that you understand your benefits and responsibilities prior to being seen at ARA.

COST-SHARE RESPONSIBILITY

Many insurance carriers require patients to share the cost of their medical services through copay, coinsurance, or deductible.

Health insurance cost-share definitions are as follows:

Copay – a fixed dollar amount that a patient is required to pay per visit.

Coinsurance – a fixed percentage of the final dollar amount that patients are required to pay for a medical service.

Deductible – a fixed dollar amount that patients are required to pay first before their insurance carrier begins to pay for their medical service.

Patient cost-sharing is an integral part of the health insurance benefit plan for both federal and commercial insurance carriers. As a patient, you are expected to understand your healthcare benefits and cost-share amounts associated with your plan. ARA will make every attempt to collect all patient responsibility payments as determined by your insurance. Your insurance should provide you with an explanation of benefit (EOB) after a medical service claim is processed. All copayments are due at the time of service. Coinsurance, deductible, and any outstanding balance will be billed to you.

A plan is considered out-of-network if there is no contractual agreement with the health plan and ARA. If the health plan's out-of-network coverage is less than the ARA's acceptable rate, ARA reserves the right to balance bill a patient.

MEDICARE PART B

ARA participates with Medicare and accepts assignment. We will file your claim and ask you to pay any deductible you may owe plus your 20% coinsurance at the time of checkout. If you have a secondary insurance, we will file the claim for you, and you will be billed for any remaining balance. In order to receive a non-covered supply or service, you will be required to sign a Medicare waiver (Advance Beneficiary Notice or ABN) and pay in full. ARA does not participate with any Medicare Advantage Plans, with the exception of Johns Hopkins Medicare Advantage HMO and PPO. If you have a Medicare Advantage HMO plan, you will not have any out of network benefits. If you are covered by a Medicare Advantage PPO plan that gives you out of network benefits, you may have to pay any deductible and coinsurance payments due as determined by each individual Medicare Advantage Plan. If you are seeking services from Arthritis Rehabilitation Therapy Services (ARTS), Medicare will not pay for outpatient physical therapy while concurrently receiving home care services. In order for Medicare to cover your physical therapy at ARTS, you must discontinue ALL home care services (physical, occupational or speech therapy, nursing, home health aide, social work). If you do not, Medicare will automatically choose to pay for the home care services only, and you will be financially responsible for your outpatient physical therapy at ARTS.

CareFirst Blue Cross Blue Shield

ARA is a participating provider with CareFirst of the National Capital Area and CareFirst of Maryland. Our contract with CareFirst includes all products: HMO (BlueChoice), Point of Service, Federal Employee, PPO, Blue Card, National Account and Indemnity Plans. The HMO plan requires that you obtain a referral to see a specialist which must be presented at check-in. Otherwise you will need to sign a waiver agreeing to pay for all services rendered.

PPO, POS and HMO Plans

Currently, ARA participates with Aetna HMO and PPO, CIGNA, Multiplan, PHCS and Priority Partners. All PPO and HMO patients are required to pay their copayment at check-in. Those patients whose plan requires a referral to see a specialist must present it at check-in or sign a waiver agreeing to pay for all services rendered. Those using a POS benefit will be required to sign a referral waiver and to pay any deductible or coinsurance their plan requires. *ARA will be in violation of our contracts if we fail to collect amounts you are contractually obligated to pay.*

Workers' Compensation

ARA does not accept new patients with work-related injuries who will be using workers' compensation to cover the cost of their care. In the event that an established patient's visit is due to a work-related injury, the patient must provide this office with complete billing information for the workers' compensation carrier prior to treatment. We will need: active claim number, carrier name, adjustor's name, phone number and pre-authorization by the insurance company for your care. If the case is being contested by an employer, then it will not qualify as a workers' compensation case until an independent medical examiner or the court rules. In this circumstance we will bill the patient's health insurance carrier. If a patient does not have health insurance, payment will be required at the time of service.

Liability Cases/Auto Accidents

ARA will not bill the personal injury protection (PIP) portion of your auto insurance coverage. Physicians will treat patients injured in personal injury or auto accident cases, but the patient's own health insurance carrier will be billed for all services rendered. In the event that a patient does not have health insurance (or their health insurance denies the claim), payment will become the responsibility of the patient.

FMLA and Disability Forms

ARA physicians do not fill out FMLA forms nor do they provide disability assessments or supporting documents for patients unless they have been seen for at least 6 visits and / or have been a patient of the practice for at least one year. Even beyond this time frame, your physician may determine that it is more appropriate for your primary care provider or other specialist to manage your disability application and forms. ARA physicians do not have the experience or training to prepare disability documents from a legal perspective. If your physician provides disability documents, the information used will be primarily based on objective information obtained from physical examination, diagnostic studies, and laboratory findings which may not support a disability claim. You will also be charged a $25 fee if your physician completes the disability documents. You may be better served if you discuss with your attorney whether disability documents should be obtained from another specialist who performs disability evaluations on a regular basis.

All Other Insurance (Including Secondary/Tertiary)

As a courtesy to you, ARA will file your primary insurance claim once, provided that we have complete insurance information at the time of service. We do not file secondary or tertiary insurance claims unless we are contractually obligated to do so. Depending on the carrier, you may be asked to pay your balance in full or pay any deductible or copayment due. Any balances not paid by the patient's insurance company/companies within 45 days will be charged directly to the patient.

For practice use only: MRN: ____________ DOS: ___________ Patient Name: ___________________________

Self-Pay

ARA offers a self-pay rate to patients who have no health insurance or have non-participating health insurance. The self-pay amount owed is expected to be paid in full at the time of service as ARA will not be submitting a claim to an insurance carrier. Self-pay patients are responsible for ancillary service charges such as laboratory, radiology, or any other services performed by ARA providers on the date of service.

Non-Sufficient Funds (NSF) Policy

A $50 NSF fee will be added to any patient's account that is returned by our bank for non-sufficient funds.

No Show and Cancellation Policy

We request that cancellations or scheduling changes be made during clinic hours no later than the last business day prior to your appointment. If you are a new patient to our practice, the missed appointment fee is $100. If you are an established patient of the practice, the missed appointment fee is $25. In order to reschedule your missed appointment, you will be required to pay the missed appointment fee.

If you have an appointment with Arthritis Rehabilitation Therapy Services (ARTS) the new patient missed appointment fee is $50 and the follow up missed appointment fee is $25.

Assistance

Our Business Office staff is available to assist you with any special concerns or questions. Please feel free to call (301) 942-3126 for personal attention.

Responsibility

Failure to disclose a change in insurance coverage or failure to disclose another (primary, secondary, or tertiary) insurance coverage will not absolve the patient of responsibility for all charges, and may also be grounds for dismissal from the practice.

Patients are responsible for any outstanding balances. In the event a patient's account is turned over (for collections) or (to a third party), the patient will be responsible for any and all collection costs, interest, Attorney's fees and Court costs.

I have read, understand and agree to abide by the policies of ARA as stated in this document.

How We Handle Laboratory Test Results

In the event you may have had lab work performed today and your lab work is normal, you will not hear from our office. However, your physician will discuss the results with you at the time of next office visit. We will call you for any abnormal laboratory tests that require immediate attention; otherwise they will be discussed at your next visit unless your physician has specifically asked you to call for results.

Remember, we will call you if any of your lab work requires immediate attention; otherwise, your results will be discussed at your next visit. You can access your reports through the patient portal.

How We Handle Prescription Refills

- If you have a prescription that needs to be refilled, please bring it to the attention of the medical assistant or your physician at the time of your visit.
- ARA uses e-prescribing to deliver all prescription orders to your pharmacy. E-prescribing is a seamless process that is accomplished through a few clicks in our electronic medical records system. It is strongly encouraged by the Centers for Medicare and Medicaid and many commercial insurance companies because it makes it much easier to track prescriptions and improves patient safety. Unfortunately, technicians at some area pharmacies continue to rely on outdated fax technology to request authorization for refills. ARA does not accept fax requests for refill Authorizations.
- We kindly request that you remind your pharmacy to use the e-prescribing system if they inform you that they have not received a response to their faxed refill request from ARA.

Thank You,
The Physicians and Staff at ARA
